Catholic Church of The Immaculate Conception,
York Harbor, Maine.

Aug 19, 1918

Dear Antonia,

I just received a letter from Marie Anne she tells me that you are at the A. U. in Wash. D.C. I was so pleased to hear it. I hope you like it. Chemistry is so very interesting. I am on a case just now at a Maine Beach, it is just beautiful here. If you have time, drop a few words, I should be delighted to hear from you. From a loving Cousin M. Louise Stone.

Address: York Harbor, Maine Thomas A. Stone

Mlle Antonia de Rabe,
American Ambulance,
